Ms. Spalding,

I am the Executive Director of BSDS, INC., the nonprofit agency that operates Brookside Charter School. In this capacity I am also listed as the "superintendent" on the DESE core data. My duties also include other programs operated by the nonprofit agency.

I do not have a contract with our Board of Directors.

My salary for 2007-2008 was \$92,630.00. My salary for 2008-2009 will be \$96,335.00. I receive the same percentage increase that the Board approves for all of the staff. For both 2007-2008 and 2008-2009 the increase was 4%.

I do not receive financial benefits from BSDS, INC. except for the \$20,000.00 life insurance policy that is provided to all full-time employees. I do not participate in the company's health insurance. I do not receive extra pay for such things as professional development stipends which are provided to other staff especially charter school teachers.

If you need further information, please let me know.

I will fax a copy of this email to 573-449-8316.

Ms. Krna,

I am a researcher at the Public Education branch of the Show-Me Institute. I'm looking into how Missouri school districts pay their superintendents. To do this, I am requesting the employment contract of every superintendent in each public school district.

I've included a copy of the Sunshine Law request that I have been filing below. Please let me know if there's someone else I should send this to, or if you have any questions.

Thank you so much,
Audrey Spalding

Ms. Krna,

This is a request under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri.
I request access to and copies of the following records: Superintendent Millie Krna's original employment contract,
